

# Aqua Mist Misters

## Pedestal Misting Fans

**18" Decorative Pedestal  
Misting Fan**

**24" and 30" Pedestal  
Misting Fans**

- 18", 24", and 30" diameter misting fans
- Ideal for mist cooling and dust control applications
- 24" and 30" misting fans are "Industrial Grade" style fans
- All Pedestal Misting Fans have an oscillating feature that can be turned on or off
- Adjustable height fan head posts
- Tilt angle adjustment on fan heads to direct air flow and water mist
- Large pedestal bases prevent fans from tipping over
- Aluminum misting nozzle block is more efficient and heavier duty compared to traditional misting rings
- Low pressure misting fans available with 2, 3, 4, 5, 7, and 10 misting nozzles
- High pressure misting fans available with 5, 7, and 10 misting nozzles
- Each misting nozzle has a built-in mesh screen filter to prevent nozzle clogging
- Optional wheel kit available for 24" and 30" Pedestal Misting Fans for easier mobility
