

Aqua Mistery

Wall Mount Misting Fans

**18" Wall Mount
Misting Fan**

**24" & 30" Wall Mount
Misting Fans**

- 18", 24, and 30" diameter Wall Mount Misting Fans
- Ideal for mist cooling and dust control applications
- 24" and 30" misting fans are "Industrial Grade" style fans
- 18" Wall Mount Fan can also mount to the ceiling
- 24" and 30" wall mount misting fans have an oscillating feature that can be turned on or off
- All misting fans have totally enclosed motors
- Aluminum misting nozzle block is more efficient and heavier duty than traditional misting rings
- Low pressure misting fans available with 2, 3, 4, 5, 7, and 10 misting nozzles
- High pressure misting fans available with 5, 7, or 10 misting nozzles
- Each misting nozzle has a built-in mesh screen filter to prevent nozzle clogging
